

NSW Awards for Excellence

MPA Award for Achievement in Construction, Refurbishment and Fitout

Award Description

Purpose and Recognition	<p>This award recognises women who have made a significant contribution to construction, refurbishment or fit out of a building located in New South Wales.</p> <p>This award recognises achievement in applying exceptional construction processes to a project that has reached practical completion, irrespective of the project scale. Ideal candidates include construction managers, project managers, site engineers, contract administrators, supervisors, forepersons or leading hands who successfully managed complex components of a project which was delivered on time and within budget.</p>
Eligibility	<p>A woman participating in the construction industry in New South Wales, who has been involved in the construction of a project in a management or supervisory role.</p> <p>The project must be in New South Wales.</p>

How to Nominate

1. Register online and enter all details on the online entry page.
2. You must read and agree to be bound by the NAWIC Terms and Conditions of Nomination. NAWIC reserves the right to accept nominations in its absolute discretion.
3. Complete online submission, within the word count specified to address each assessment criteria below.
4. The online entry must include the following:
 - a. Nominee details entered online;
 - b. Nominee biography entered online
 - c. Assessment criteria submission entered online;
 - d. Description of project entered online;
 - e. Letter of endorsement uploaded;
 - f. Letter of property / project owner consent uploaded;
 - g. Good quality image of nominee or nominee team uploaded (this image will be used in the Awards presentation event);
 - h. 5 images of project uploaded.

Assessment Criteria

Nominees will be assessed in accordance with the nominee's ability to demonstrate the nominee's significant contribution to a project. Nominees must address the following assessment criteria:

1. Provide details of the nominee's role in the project and any unusual or unique features, restrictions, complexities and other relevant information about the project.
2. What was the nature and extent of nominee's contribution to the project, with particular emphasis on any exceptional construction processes implemented?
3. Describe the quality of the construction outcome achieved.
4. Provide details of innovation applied to the project and/or processes by the nominee.
5. Outline any efficiencies achieved in the project including monitoring and management of programme and costs.
