## The Judging Process

1. Previous NAWIC Crystal Vision Award winners may submit entries for the 2018 Crystal Vision Awards; however a previous winning entry cannot be resubmitted.
2. Each category will be judged by a panel of three senior professionals from construction or construction-related organisations.
3. There is one Award for Excellence in each category. The judging panel may decide not to present an Award in a particular category. In some circumstances there may be joint winners or a High Commendation given in addition to or instead of an Award.
4. The judges' decision is final and no correspondence or discussion will be entered into.
5. The various panels have been carefully constituted to ensure that no conflict of interest exists, or is seen to exist.
6. Compliance with the entry requirements is taken into consideration by the judges. The judges reserve the right to determine the eligibility or otherwise of each nomination and may transfer a nomination from one category to another if they consider it necessary.
7. The judges may request further information and/or documentation from a nominee if necessary to fully consider the submission.
8. If the judges do not consider that any person nominated in a particular category meets a standard sufficient to warrant the presentation of an award, the judges are not bound to give an award in that category.
